As part of the Haritha Keralam Mission, three ponds viz. Attancherikulam, Attancheri Chandikulam and Kodanaykankulam were renovated by the Department of Soil Survey & Soil Conservation under RIDF XX tranche in Palakkad district and handed over to the Pattancheri Panchayat at a function held on 26th October 2017. The function was inaugurated by Sri. K. Krishnankutty, Hon. MLA, Chittoor and presided over by Smt. Jayasree K., President, Pattancheri gramapanchayat. Soil Conservation Officer, Alathur Smt. Thara Manoharan welcomed the gathering and District Soil Conservation Officer Smt. Bindhu Menon explained the details of the project. Through this renovation work, 437 lakh liters of water could be stored in these ponds which will help in irrigating 130 hectares of paddy and other crops. Through increased availability of water farmers can now take up a second crop of paddy in the region.
