Rejuvenation of Varattar- Training on 22nd September 2017

Under the Haritha Keralam Mission, Government is undertaking a project to rejuvenate Varattar river flowing through Pathanamthitta and Alappuzha districts. The Department of Soil Survey and Soil Conservation organized a training program for public representatives to rejuvenate Varattar on 22 September 2017. The training was inaugurated by Sri Ramachandran Nair, Hon'ble MLA Chenganur at Chengannur. The District Panchayat President Pathanamthitta Smt. Annapoorna Devi presided over the function. Koippuram Block Panchayat President, Municipal councilors, Block, grama & district panchayat members, officials of Soil Survey and Soil Conservation & other departments of Pathanamthitta and Alappuzha districts attended the training. Dr. Ajay Varma from Haritha Keralam Mission elaborated on the objectives of the training.

The Department is providing training for public representatives, officials and farmers under the Haritha Keralam Scheme on various aspects of soil and water conservation to preserve the precious water resources of the State. The trainings are provided through the Institute of Watershed Development and Management - Kerala (IWDMK), Chadayamangalam.
